BALI NATURAL HOLY SPRING AND 11TH CENTURY ANCIENT TEMPLE

This magical experience brings you to Ubud surroundings. In the morning, you explore our favorite secret hidden holy springs located in a small balinese village. Though not as big as Pura Tirta Empul and less crowded, you are immersed in a serene natural atmosphere where Balinese Hindus go for ritual cleansing. This place is a feast for the eyes. You can jump and refresh yourself into the holy water and follow a balinese purification.

After the purification, you take the road to one of the biggest 11th-century temple in Bali and legendary Balinese archaeological site. The 300 steps down to the temple transport you back in time. Lost yourself into each small beautiful path ! You choose one of the restaurant around for your lunch or follow our recommendation.

The last stop is in the amazing Tegalalang ricefield where you can have a short walk and experience a famous swing for an amazing sensation and pictures !

HIGHLIGHTS INFO

- 📍 Pick up time at the villa at 8 AM
- 🕒 Full day tour between 8 to 10 hours
- 🙏 To respect the tradition, please note that you have to use your tee shirt and sarong to cover your legs during the purification in the holy spring, so don't forget to bring spare clothes and towel
- ♥ Entrance fees included but not donations during Tegalalang ricefields walk
- ✖ Lunch not included
- ☁ We suggest you to be accompanied by a certified guide for this tour. He/She can tell you more about ritual cleansing and temple history. Please contact us for the price.

EAST REGION : BETWEEN ROYAL PALACES AND LEISURE

This tour takes you to the East Coast of Bali. On the way, you pass through the amazing village of Sidemen and its stunning rice fields. You continue the way until the royal baths of Tirtagangga, a popular place for the Balinese to have a holy bath and take a walk with the family. Tirtagangga is a nice water palace divided into three sections: a Lotus Pond and Fountain, the Royal Pool and the King's Palace. You can walk on stone slabs to the center of the royal pool and feel like you are walking on water to take the best pictures! Enjoy the beauty of the garden which combines Chinese and Balinese gardening techniques. Then you head towards Taman Ujung, a floating palace located in a calm and relaxing garden.

After you discovered the beauty of those holy places, your driver brings you to the most beautiful beach on the East Coast. Enjoy the rest of the day on the beach, swimming and having a nice meal at one of the beach restaurants.

On your way back, you visit Kerta Gosa: This ancient court preserves the most detailed ceiling paintings in Bali depicting sentences that were given to criminals.

NORTH BALI : DENSE FOREST AND BRATAN LAKE

Explore the mountains in the north of Bali! Beginning with the beautiful rainforest of Tamblingan, you meet a local guide who shows and explain to you everything about the forest, local flora & fauna as well as its wildlife. The trek leads you into the dense and lush vegetation and lasts about 2,5 hour.

After the trek, you cross the lake by canoe and sail around. You continue with the visit of Ulun Danu Temple. This holy temple is dedicated to the water Goddess Dewi Danu and located on the shores of Bratan Lake, a beautiful scenario is waiting for you. You stop briefly to see the beautiful entrance of a resort in the mountains. It is famously designed like a traditional Balinese portal, commonly found at the entrance of religious buildings, palaces or cemeteries. The gate itself and combined with its beautiful background makes this place frequently visited by tourists for taking nice pictures.

If you wish, you can pass by a Balinese food market where you can find many kinds of fruits, vegetables, and mainly strawberries from the region.

INTO THE JUNGLE : THE MAGIC OF NORTH WATERFALL

Go on an unforgettable adventure in the jungle of Bali! It takes you around two hours to drive up north, to reach one of the island's most beautiful waterfalls. You meet a local guide who escort you first to a small organic farm. Your way to the waterfall is off the beaten track and surrounded by lush nature. Arriving at the bottom, you are astounded by the 80m high waterfall. The water is hitting the rocks below with such a force that the surrounding area is completely foggy. You spend some time there enjoying the scenery.

After the trekking, your lunch takes place in a family homestay offering a view on sekumpul hills. The wife prepares you an amazing local dish called Nasi Tumpeng. After this delicious lunch, you drive back to the South and stop to Ulun Danu Temple. This holy temple is dedicated to the water Goddess Dewi Danu and its located on the shores of Bratan Lake, a beautiful scenario is waiting for you.

DISCOVER BALINESE LIFE

This tour takes you to one of the most beautiful villages in East Bali, surrounded by mountains and green rice fields where you learn a lot about Balinese life, accompanied by a local guide. You start the day by discovering the technique and process of making traditional Sarongs, which are mainly used for ceremonies.

You can go for a little walk to enjoy the beautiful landscapes of rice fields and plantations. This nice walk invites you to observe the everyday life of the farmers and to understand the organization of the Subak system. The Subak system is a fascinating concept, which is taught over generations and typically for Bali. You will also learn about offerings and ceremonial cakes, their meaning and use during Balinese rituals and ceremonies.

Learn how to write your name in Balinese "Sanskrit" on dried palm leaves named "Lontar" which have been used as manuscripts in the past. You also discover the Balinese alphabet named "Aksara Bali". A nice souvenir to take back home!

You prepare a traditional plant-based drink called Jamu, known for its incredible health benefits and your own Tiger Balm. You can take it home and use it for all kinds of aches like mosquito bites or back pain. To round up this amazing Balinese day, you enjoy a delicious local lunch before heading back to the villa!

HIGHLIGHTS INFO

- 📍 Pick up time at the villa at 8 AM
- 🕒 Full day tour between 8 hours
- ♥️ Lunch and transport included in the tour

THE NORTHERN DOLPHINS OF BALI

Start your day early in the morning to visit the region of Buleleng in north Bali. This region is famously known for its black sand beach and dolphins. It takes you around 2 to 2 hours and a half to reach the beach and go for a traditional boat tour. You jump on the boat to watch dolphins playing around in the middle of the sea. The experience is memorable! It is usually recommended to go in the early morning to watch the sunrise. But to avoid too much crowd and respect their natural environment, we start a bit later.

You continue with the visit of a Buddhist monastery built in 1970 which offers a view point on the whole North coast of Bali. Before to drive back to Ubud, you stop to some hot spring. For your lunch, you can choose one of the restaurant around or follow our recommendation.

To end this beautiful day in north Bali, your driver drops you at Munduk village to visit stunning waterfall located between coffee plantation and clove forest.
